

EU REACH

REGULATION EC 1907/2006

The purpose of the European regulation REACH is to register chemical substances manufactured and imported in the European Union. PentaCarbon GmbH is fully committed to this initiative and has taken the necessary steps to comply with the requirements of this regulation.

The aim of the European regulation REACH is to improve knowledge about the hazards and conditions of use of chemical substances produced and imported in Europe. REACH is a system of registration, evaluation, authorization and restriction of chemical substances.

OUR CARBON BLACKS ARE REGISTERED UNDER REACH:

CAS number: 1333-86-4
EG number: 215-609-9
REACH registration number: 01-2119384822-32-XXXX

Please accept this statement as certification of registration of all PentaCarbon's Carbon Black products.
