

## **Declaration of Compliance with Sanctions and Export Control Regulations**

This letter is issued in connection with the products supplied by PentaCarbon GmbH for the purpose of confirming compliance with applicable sanctions, export control regulations, and internal compliance requirements.

We hereby declare that PentaCarbon GmbH fully complies with all applicable national, European, and international sanctions laws and export control regulations.

In particular, we confirm that we do not import, directly or indirectly, any materials originating from the Russian Federation or from territories annexed by the Russian Federation, in accordance with the applicable sanctions regimes.

This declaration is made in good faith and to the best of our knowledge and belief.
